Nick Costello

**During 2016, in the US, suicide took a life every 12 minutes, but on average how many attempts are made before completion? During 2015, in the US, every minute someone visited an ER for a self-inflicted injury. In this course you will learn-**

- Groups at high risk of suicide and why
- Myths about suicide
- Physical, emotional, and other warning signs of suicide
- How to ask the “question”
- Discuss appropriate interventions when responding to a suicide
- Explore feelings and reactions of suicide survivors

### **TRAINING CERTIFICATION OF COMPLETION WILL BE PROVIDED EACH REGISTERED TRAINEE.**

For the reason above, registration by the deadline is mandatory.

Class size may be limited; first come, first served.

*Nick Costello **is not** a licensed mental health specialist. He has received training in Suicide Prevention, Intervention and Postvention through crisis training given by The University of Maryland, Salvation Army and the Billy Graham Evangelistic Association (BGEA). Nick served as a chaplain for BGEA for 6 years ministering to survivors of disasters in crisis, many struggling with hopelessness, despair and some wrestling with suicide.*

*He’s also a credentialed minister, an evangelist, youth communicator, conference, seminar and school assembly speaker, radio and TV talk show guest, who has spoken to people of all ages for over 25 years in both faith-based and secular venues.*

Mail completed form below to: **Compassion Care Ministry**, 96 N. Country Rd., Shoreham, NY 11786-1930

This event is free for all Compassion Care Ministries Chaplains, who are current in standing.

For all others, we ask a donation of \$10, payable to **Compassion Care Ministry**. Opportunity to bless Nick will be an offering at the end of the event.
